UN-GGIM-Arab

Proposed work programme

- a) Geodetic Reference Frame - national/regional/global
- b) Institutional arrangement'
- c) Geo standards
- d) Geo-standards
- e) Capacity development
- f) Integration of geospatial and statistical information

The background of the slide features a blurred photograph of an urban scene. On the right side, there is a tall, multi-story building with a grid of windows. On the left side, there are bare, dark tree branches against a light sky. The overall image is out of focus, serving as a backdrop for the text.
